# About Us

# Adopt, Volunteer or Donate!

The Boston Terrier Rescue of East Tennessee is an established non-profit organization that is dedicated to rescuing, rehabilitating, and rehoming Boston Terriers. We rely solely on the kindness of our donors and the income of our fundraisers, partnerships and grants to sustain our establishment. For more than a decade, we have pulled Boston Terriers from deadly and desperate situations. We do not euthanize those in our care, even for reasons of health or behavioral issues. We feel it's our obligation to give these dogs the care they need; temporarily until they find a home, or for life with us.

***"We feel that the lives of all dogs, and in our circumstance the lives of the "American Gentleman," should be respected, preserved, and cherished."***

Adopting, volunteering, and donating all play crucial roles in supporting the Boston Terrier Rescue of East Tennessee (BTRET) and our mission to rescue, rehabilitate, and rehome Boston Terriers in need. Adopting a dog from BTRET not only gives a deserving animal a forever home but also opens up space for our organization to rescue another dog in need.

By providing a loving environment, proper care, and attention, adopters directly contribute to improving the lives of these animals. This also helps reduce the strain on overcrowded shelters and promotes the importance of responsible pet ownership. When you volunteer with BTRET, it is another impactful way to make a difference. Volunteers can offer their time, skills, and passion to help with various tasks such as dog walking, fostering, transportation, fundraising events, directorial work, and outreach efforts.

Through volunteering, individuals can directly engage with rescued dogs, provide socialization and companionship, assist in their training and rehabilitation, and contribute to the overall success of our organization's operations. Volunteering also fosters a sense of community and purpose among like-minded individuals who share a love for Boston Terriers and a commitment to animal welfare.

Donating to the Boston Terrier Rescue of East Tennessee is another crucial way to ensure our sustainability and ability to continue our lifesaving work. For more information where you can donate and how to donate, please see the back of our brochure.
